Good Afternoon Marion,

Are you the person to contact if I was looking for a representative from the Hispanic/Latino Quality of Life? If so, I am the admin liaison for the Commission on Seniors. The board would like to ask if you have a representative who would be available to present at one of our meetings. I have attached a calendar of our scheduled meetings as a reference.

Our next meeting will be held on:

**COMMISSION ON SENIORS  
June 10, 2015 AT 12:00PM  
BOARDS AND COMMISSIONS, FIRST FLOOR, RM 1101  
301 W. SECOND STREET, AUSTIN, TEXAS**

The board asks if you could give us a summary of your Hispanic/Latino Quality of Life. They are interested, in particular, the challenges and issues that the older adults in the community face whether it is affordable housing, health care, access to service, or other issue areas.

If you are not, do you know whom I may contact?

Best regards,
